Dishes containing any of the 14 common allergens are clearly indicated in this guide

X: Shows that a dish contains the allergen(s)

M: Shows that a dish does not include the allergen as an ingredient but is prepared in an environment where allergens are present.

While we follow strict procedures, allergens are handled in our kitchen and shared equipment is used, so we cannot guarantee any dish is 100% free from traces.

We do not cater to any allergies. Please speak to a member of staff for any queries.
